**Shoes.**

Our shoe methods are unique. Every pair of shoes we sell, no matter what the price (except patent leather), is fully guaranteed; it would, therefore, be poor business for us to attempt to sell inferior shoes. The shoes for to-day and to-morrow are New Spring, 1898, styles—out an old shoe in the lot, and a size or width missing. The values are greater than we have ever offered in our regular stock goods.
